

**Lincoln High School Music Boosters Meeting**  
**5/8/2019**  
**7:00 p.m.**

*Next Meeting: June 3, 2019, 7:00 p.m. Parents, please mark your calendars and join us. It's a great way to get to know the directors & other parents and to lend your perspective.*

**In Attendance:**

Diane Thurston, President (via phone)

Gail Gill, Treasurer

Jane Kurtz, Secretary

James Ellis, Communications

Lisa Riffel

David Kays

Parent Kristin Cleveland, Stephen Atkins, Katrina Goddard, Jessica Reid

**Budget**

We have \$15,183.81 in checking account. We still need to pay LPE contracts, which are in \$8000 range. School (ASB) has not requested money yet, so we do not have exact amount and timing. One choir accompanist check and another for Dan Balmer (guitar teacher) are due, which amount to approximately \$1700. One bus for PIL festival (\$1200) is still due. David will review instrumental expenses to confirm our budget standing. Gail will review the LPE expenses. There are no expected expenses for end of the year concerts and senior recognitions and awards.

**Parking**

Parking starts in June. We discussed raising the price the \$15 and agreed to go with that amount. We discussed whether to take credit card (eg., Square. Paypal). Given that it will take time and there is a charge to using such apps, we agreed to remain with cash only and have plenty of \$5's for change, hoping that some people will donate the remaining \$5. The \$15 price is competitive with surrounding lots which charge \$20/\$25. Diane will finalize SignUpGenius and get to David and Lisa for distribution to their families.

### Fundraising

\$371 made during coffee fundraiser. We should come to June's meeting with ideas for fundraisers so that we can hit the ground running. SchoolPay prompts users to donate to various groups, but band and choir are not included. David is contacting Jill Ross to get music groups listed for donations.

### 2020 Tours

Choir and Band are going to do separate tours next year.

The group split up at 7:50 p.m. to discuss items specific to each group.
